**Crash Synopsis:****SYNOPSIS**

This crash occurred on Arona Road in front of Merlin Dr., Hempfield Township. This road is a two lane road, separated by double yellow solid lines which, runs north and south. As unit 2, a garbage truck from County Hauling Waste Management, was legally stopped in the south bound lane of travel, unit 1 approached at a high rate of speed from the same lane. Person 4, who was riding on the back of the garbage truck observed unit 1 approach, and jumped from unit 2 just prior to impact. Unit 1, attempting to overtake unit 2 on the left, struck the rear, driver side portion of unit 2, which is of solid construction due to it's size and purpose. At the same time of this initial impact, unit 3 was traveling north, alongside unit 2. Unit 1, was then thrown from the initial impact, into unit 3, striking it in the drivers door and front left engine compartment. Unit 1 and 3 became entangled as one, and traveled backwards a short distance before coming to final rest. Operator 3 became entrapped, as did operator 1 and person 2.

Operator 3 freed himself from the wreckage by climbing out of unit 3's passenger side window. All occupants of Unit 1 were unable to exit. Person 4 and operator 2 then rushed to the aid of unit 1, and deflated the airbags. However, unit 1's occupants were unable to be freed from the wreckage until Adamsburg Rescue 10 arrived, and removed the roof of unit 1 through mechanical means. Operator 1 was promptly transported by Stat Medevac life flight services to UPMC Presbyterian for follow on trauma care. Person 2 was transported to Forbes hospital trauma center, and operator 3 was transported for minor wounds to Westmoreland hospital. Assisted on scene by Mutual Aid EMS, Irwin EMS, Landers Towing, Adamsburg VFD, and Stat/Medevac.
